
Erratum

https://doi.org/10.67784/5001

The following correction has been made to an article published in AACL Bioflux, Volume 16, Issue 6 (2023):

On page 3282, the Acknowledgements section has been revised to correct the funding year from "2023" to "2022" and to amend the corresponding grant number. The corrected statement reads as follows:

"This work was supported by Universitas Diponegoro (Selain APBN) 2022 Number: 569-03/UN7.D2/PP/VII/2022."

These corrections have been incorporated into the online version of the article and all subsequently printed copies of Volume 16, Issue 6.
